Penny Thomas telephoned me late yesterday and said that there expert, Gareth would compose a witness statement dealing with Callender Sq as he would be a more able witness to be cross -examined then Anne. Penny is unaware at this moment as to what the issue was with Callender Square but hopefully a statement should be with me by the end of next week.

Yes, Anne is still employed by Fujitsu but unfortunately she will not be available until Monday; I will make contact with her first thing and we will be in touch.

Kind regards  
Penny

My barrister telephoned me yesterday evening and requested that I found

out  
any information that Fujitsu may hold in relation to an office called  
Callender Square in Falkirk. Apparently, Anne Chambers a Systems  
Specialist employed by Fujitsu was cross examined and it is said that  
she  
had full knowledge of an error in the Horizon system at this Post  
Office.  
If Anne is still an employee of fujitsu could you please give me her  
direct  
number so that I can contact her, or, alternatively, if there is any  
report  
or documentation as to what the error was can this be forwarded to me  
asap.
