I would have though the 14 unlikely as it is too recent. Hugh can we check, or is it quicker to ask Gareth lesley

I will certainly be sharing this with Janet on Monday  
Thanks

This is massively important

Is there also a possibility that all incidents – 14 and 64 – have been referenced in court?

Lesley,

Attached is my final Witness Statement for the Misra case. This was heard in Guildford Crown court in October 2010 and concerned West Byfleet Post Office.

Page 14 covers my response to a problem that had been identified in an earlier case (that involving Lee Castleton who took POL to court for unfair dismissal which he lost).

Do you need me to dig out anything more on this? I think the key point is that the fact that Horizon did have bugs has been discussed in court and POL still won the case.

Regards

Gareth
