Angela

Please find attached an email which may be the one referred to?

I have records of a significant number of documents – notice of suspension / charge letters / note of interviews etc. and some information about the appeal. Would you like me to send everything to you?

Kind regards

Hi Angela

I believe we may be talking about Rivenhall here. I can find no related emails between Alan & myself. I've been through the former agent case file and there is no e mail in there either.

Alan will have a look at his records later today.

I have no memory of making a statement like this.

Andy

Andy, Alan,

As part of a Mediation Scheme case submission the Applicant is referring to an e-mail a copy of which I'm trying to track down. You have been mentioned in respect of this e-mail:

“.....with the Andy Winn/Alan Lusher email in the case of Ward which explicitly states that Fujitsu can remotely change the figures in the branches without the SPMs' knowledge or authority.....”

Would you please as a matter of urgency send me a copy of this e-mail, associated e-mails and any other associated information please.

Thanks,  
Angela
